Pin the Numbers on the Clothesline v.1

Directions: Print the pages with shirts numbered 1-20. Laminate the shirts and cut them out. Have your child use clothespins to hang them on a clothesline in numerical order.

Variations:

- If your child is not yet ready to work on numbers up to 20, start with fewer numbers (e.g., 1-5 or 1-10).
- Give your child just the odd numbers or just the even numbers to put in order.

Pin the Numbers on the Clothesline v.2

Directions: Print the pages with shirts numbered 5-100. Laminate the shirts and cut them out. Have your child use clothespins to hang them on a clothesline in numerical order to practice skip counting by 5's.

Variation:

- Use only numbers that are multiples of 10 to practice skip counting by 10's.
