Valentine Sudoku

Thank you for downloading this resource from Gift of Curiosity! I do my best to proofread all content before posting, but if you spot a typo or other mistake, please let me know by contacting me at katie@giftofcuriosity.com. And if you have comments or suggestions, I'd love to hear them too!

If you use these materials with your children or students, I'd love to see a photo of them in action! Please consider sharing it on Gift of Curiosity's Facebook page: www.facebook.com/GiftOfCuriosity

Happy learning,

Katie

Valentine Sudoku v.1

Sudoku puzzles are a fun way to give kids' logical reasoning and critical thinking skills a workout.
To complete the puzzle, cut out the picture squares along the dotted lines.
Have your child place them into the appropriate boxes in the Sudoku grid. Each image must appear once and only once in each row, column, and 2x2 sub-grid.
Valentine Sudoku v.2

Sudoku puzzles are a fun way to give kids' logical reasoning and critical thinking skills a workout.
To complete the puzzle, cut out the picture squares along the dotted lines.
Have your child place them into the appropriate boxes in the Sudoku grid. Each image must appear once and only once in each row, column, and 2x2 sub-grid.
Valentine Sudoku v.3

Sudoku puzzles are a fun way to give kids' logical reasoning and critical thinking skills a workout.
To complete the puzzle, cut out the picture squares along the dotted lines.
Have your child place them into the appropriate boxes in the Sudoku grid. Each image must appear once and
only once in each row, column, and 2x2 sub-grid.

Valentine Sudoku v.4

Sudoku puzzles are a fun way to give kids' logical reasoning and critical thinking skills a workout.
To complete the puzzle, cut out the picture squares along the dotted lines.
Have your child place them into the appropriate boxes in the Sudoku grid. Each image must appear once and only once in each row, column, and 3x3 sub-grid.
